AS THE NEWS BREAKS

[By Associated Press.]

Oklahoma City, Okla., June 15.—Senator Charles F. Barrett was to open a Democratic Publicity Bureau here today under the auspices of the state executive committee of that party, the purpose, as announced, being to continue the bureau through the term of the present administration, and "keep the record straight" as to the achievements of the party's officials.

Oklahoma City, Okla., June 15.—The State Board of Tax Equalization, which adjourned early in June without taking up tax assessments, was to reconvene here today to give hearings to several corporations.

Oklahoma City, Okla., June 15.—A long list of names of young Oklahomans wishing to be admitted to practice has been filed with the clerk of the supreme court for the State bar examinations which were to begin here today to last through June 17.

Houston, Tex., June 15.—The twentieth annual convention of the Texas Pharmaceutical Association was to open here today for a three days' session, replete with business sessions and social entertainment. Special arrangements have been made to entertain the visiting ladies.

San Antonio, Tex., June 15.—The annual joint convention of the State, County and District Clerks' Association and the State, County Tax Collector's Association was to open here today. The joint convention will last through June 17.

Austin, Tex., June 15.—It was predicted here today that within a short time there would be room in the State insane asylums for the 1,000 or more

insane persons in Texas, who now are being confined in county jails, on county poor farms and in some instances with relatives. New buildings at the Southwestern Insane Asylum in San Antonio are being rapidly completed and these will care for many of the unfortunates, who have been crowded out. A recent report of a legislative committee showed there were approximately 600 whites and 400 negroes in the State who should be confined where they could be given treatment.

Austin, Tex., June 15.—Approximately 2,000,000 acres of public free school land will be thrown on the market between now and June 25, to be sold on September 1, next. J. T. Robison, State Land Commissioner, is preparing a list showing the location, price and character of this land which will be ready for distribution within a few days. About one-third of this land must be sold with the condition of actual settlement, while the remainder has no such conditions attached. Most of the land lies in the western portion of the State, some of it being agricultural, but most of it mountainous. In Brewster county there are 469,160 acres; in Culberson county, 79,531 acres; in Presidio county, 185,725 acres; Val Verde, 23,122, all to be sold without condition.

SHILOH DEFEATED MILLICAN.

The Shiloh baseball team continued on its victorious career Sunday afternoon by defeating the Millican team at Wellborn by a score of 10 to 2. The pitching of Deason for Shiloh was a feature of Sunday's game. Batteries: Shiloh, Deason and Wynsett; Millican, Rains and Grote.

POINTED PARAGRAPHS.

It is easy for a man to be popular if he is easy.

A bluff is usually more of a necessity than a luxury.

The man who really knows himself doesn't tell all he knows.

The bouquets you throw at yourself may turn into boomerangs.

People who suffer in silence always like to boast about it later.

How we do love an idle person who comes along and bothers us when we are busy?

Some men are such clever liars that they can even explain to the satisfaction of their wives where they have been.
